

TIPS

1. If you struggle to access any of the following, please email me at chiara@phmovement.org
2. For more papers from Latin American scholars, search through the [SciELO](#) database
3. Check the references of the papers to find out more interesting readings!

BOOKS (series “[Small books, big ideas in population health](#)”)

- Krieger, N., *Ecosocial Theory, Embodied Truths, and the People's Health*, Oxford University Press, 2021.
